How to Find Curriculum Sets at Thun Library

Perhaps the easiest way to find curriculum sets with lesson plans, toys, manipulatives, flash cards, visual aids, and models is by browsing the collection in person. You can find curriculum materials near the juvenile books on the short shelves facing the windows, located in the special section between the tall shelves in Thun.

Searching the Cat for Curriculum Materials

1. Please go to the Thun Library home page at http://www.libraries.psu.edu/psul/berks.html
2. Click “Search the Cat”

3. Click “Advanced Search” on the right side of the screen.
4. Change “Location” to “Berks—Curriculum Collection”

5. Change “Material Type” to the type of curriculum material you would like. You can select from Equipment, Instructional Material, Audio Material, and more.
6. Type in keywords for your topic and hit “Search”

7. A list of materials on your topic should appear. Jot down the call numbers to find them at Thun.
